# FOOD & DRINK

Food and drink is a passion here at Kings Place, with all menus created by our team of chefs who take pride in fresh, seasonal menus. We're more than happy to work with you to design something bespoke, knowing every couple is different. We invite every couple into the venue for a menu tasting, which is a great opportunity to meet the chef and influence the dishes to suit your tastes.

Our commitment to our 'Gate to Plate' ethos is so strong that we even have our own Corneyside Farm in Northumberland, which supplies all beef and lamb used in the dishes. It doesn't stop there, meat is then butchered and hung on-site – what a great story to share with your guests!

We are able to offer a wide range of catering options to mirror the style of your day, as well as a variety of upgrades to our packages. You can choose to add canapés to your drinks reception or upgrade Prosecco to Champagne, or why not add cocktails, a BBQ or late night snacks for evening guests! We also offer BBQ's or food stalls as an alternative to a traditional seated meal, just let us know if you have something different in mind.

## SPECIAL TOUCHES

We haven't forgotten about all the extra details that go into planning your wedding day, which is why we have a list of recommended wedding suppliers that we can share with you. Our team have built relationships with everyone from bespoke wedding cake and unique jewellery designers to dancing schools, live musicians and DJs.

# POP THE QUESTION(S)

## *Where can I hold my ceremony at King's Place?*

We have four areas licensed for civil marriage and partnership ceremonies: The Battlebridge Room, Hall One, Hall Two and Rotunda's Private Dining Room. Whether you want a small, intimate gathering by the canal or a big city celebration, we have the perfect space for you.

## *How do I book the registrar for my ceremony?*

If you are getting married at Kings Place please remember you must contact the Islington Registrar to check their availability and to secure your date.

Their contact details are:

Islington Council, Islington Town Hall,  
Upper Street, London, N1 2UD  
Tel: 020 7527 2000

## *What time can we hold our ceremony?*

Since the autumn of 2012, couples getting married in England are allowed to hold their ceremony at any time of the day. This means that you could even recite your vows at the stroke of midnight on New Year's Eve.

## *Who will be looking after my wedding on the day?*

Our dedicated wedding manager, who will be involved in organising the day from your initial enquiry, will be there on the day, as well as our expert operations team so you can relax and enjoy your wedding day without any worries.

## *What is the booking procedure?*

We would be happy to hold your date for up to two weeks. Once you choose to move forward with a contract for your date, we require a 50% deposit to confirm the date. Four weeks prior to your wedding we request the remaining balance.

## *How late are we able to dance the night away at our wedding?*

Our license is until midnight. We ask all guests to leave the terrace at 10:00pm and continue your party inside.

## *What age do you classify as a child?*

We consider ages 3 to 11 as children and will serve them a child friendly menu upon prior request.

## *Can we bring in our own caterer?*

We are very pleased that we have our own in-house catering company, Green & Fortune, however this means we do not allow external caterers. We are proud to say that not only is our food delicious, but that we can cater for different cuisines and our head chef is happy to draw up bespoke menus to cater to your specific requests.

## *Can we bring in our own alcohol?*

We charge a corkage fee for any wine, sparkling wine or Champagne that is brought in. Please enquire with your wedding manager for prices.

## *Where is the closest parking to Kings Place?*

The closest car park is located near St. Pancras International Station. Street parking can be found in the streets surrounding Kings Place during the weekend although availability is limited.

## *Can I bring in my own DJ?*

Yes, you may bring in your own DJ or band or we can arrange this for you. Please speak with your wedding manager prior to booking any music regarding our music license.

## *Can I have a tasting before the wedding?*

Yes! We love inviting our couples in during their planning process to sample the dishes they wish to serve on their wedding day. Once your booking is confirmed, we can arrange a tasting date based on date and time availability.

Please note, all prices are inclusive of VAT.
