LIVE EVENT

RECORDING & BROADCAST PACKAGES

RATE CARD

AUDIO PACKAGES

Basic Stereo Audio Recording (FoH Feed)

£180

Stereo recording of your event – Ideal for transcription and basic archival purposes. Not suitable for general release or future editing/post-production.

Multitrack Audio Recording from £600

Multitrack recording is the industry standard method of recording your event. It allows presenters/vocals/instruments etc to be recorded on separate tracks to capture and mix the perfect performance. Ideal when quality is imperative.

VIDEO PACKAGES

1 Camera Video £650

HD broadcast camera kit and operator for basic video recordings in any of our spaces. Ideal for archival purposes. Includes FoH audio feed and basic edit.

2 Camera Video £1,700

As above but with 2 HD broadcast camera kits and operators to get a variety of angles for editing purposes. Includes multitrack audio and full edit.

3 Camera Video

£2,600

3 HD broadcast camera kits, plus operators to capture your show from multiple angles. Ideal for general event coverage. Includes multitrack audio and full edit. Additional cameras available on request.

Highlights reel and vox pops

£1,700

Filming in multiple locations. Steady footage, vox pop interviews and a time lapse of the event. Includes a full edit and one re-edit.

Live Relay

£600

Broadcast your event in real time to any of our other rooms here at Kings Place. Useful for overflow of delegates or staff viewing. Make sure no one misses a moment of the day.

Filming & Recording License Fee

£300

External parties wanting to record any audio or video on our premises will require a recording licence. This fee is waived if any of the above in-house recording/broadcast packages are booked.

LIVE STREAMING

Make sure your customers don't miss a minute and reach international audiences. Includes a dedicated internet line to facilitate high-quality streaming. A great addition to any of our camera packages or can be included to complement an existing recording.

Microsite package

£3,000

Capture data and monetize your event by utilising our premium microsite package. A bespoke website, tailored with branding for your event.

To see an example site, please visit events.bizzabo.com/Kingsplace

Working together with an external partner we will create a tailored microsite for your event that can include: agenda speaker profiles, social media networking, pay to view streams and all-important customer data capture. Our broadcast staff will be on site to assist you with any help you might need.

All post-video editing is provided within a 2 week turnaround time.

All prices quoted are per day non-inclusive of VAT.
