SILENT NIGHT

THE ONLY CHRISTMAS PARTY WORTH HEARING ABOUT

Sssshhh... don't tell anyone, but Kings Place is throwing open its doors to Christmas party revellers. For a limited run throughout December 2012 our Battlebridge Room will be transformed into a beautiful Christmas garden with our exciting Silent Night theme.

Revellers can expect a show-stopping theme, mouth-watering menus, and most excitingly a revolutionary disco experience. Instead of speaker systems you're provided with wireless headphones and not only that, we will have two duelling DJs playing simultaneously on two separate channels, vying for your guests attention. Don't like the song? Just flick the switch!
