WELCOME TO KINGS PLACE

YOUR 2012 LONDON VENUE

Kings Place offers a great selection of multi-purpose event spaces, as well as art galleries, concert halls, Rotunda Bar and Restaurant and stunning al fresco terraces perfect for dining and entertaining.

Conveniently located at less than 5 minutes walk to Kings Cross and St Pancras International Station, and only 7 minutes from Stratford, our connections with the Olympic venues, and the rest of the UK and Europe are ideal.

Our building is the perfect option for hassle free Olympic activity. We offer top class catering, great rooms and terraces ideal for hospitality, high-spec technology, great event management expertise and flexibility to accommodate branding requests.

The two art galleries and concert halls add an inspirational cultural backdrop to any event we host at Kings Place. During the Olympic period, these spaces can also be used for private and public events.

Kings Place is fully engaged with the local community and our outreach programme supports schools in the Kings Cross area.

We are also home to two resident orchestras, the Orchestra of the Age of Enlightenment and the London Sinfonietta.
