THE GREAT CHRISTMAS EXPERIMENT!

starring

'THE MAD SCIENTIST'

THE STORY OF NICHOLAS CLAUS IS ONE OFT TOLD, LESSER KNOWN IS THE TALE OF HIS TWIN BROTHER NATHAN.

WHEN NICHOLAS CLAUS SNR. HANDED OVER THE FAMILY BUSINESS AND ITS ENTIRE STAFF TO NICHOLAS AND NOT NATHAN – THE OLDER OF THE TWINS BY APPROXIMATELY TWO MINUTES – IT CAUSED A RIFT IN THE CLAUS FAMILY AS DEEP AS THE ICY CASMS OF THE NORTH POLE ITSELF.

FEELING BETRAYED BY CLAUS SNR'S LACK OF FAITH, NATHAN FLED TO THE SOUTH POLE AND DEDICATED HIS LIFE TO BETTERING WHAT HAD BEEN LEFT TO HIS BROTHER. MANY LABELLED HIM MAD FOR LEAVING BEHIND A LIFE OF 364-DAY-HOLIDAYS AND ALL THE JELLYBEANS HE COULD EVER EAT AND BY THE TIME HE ARRIVED AT THE SOUTH POLE, FUELLED ON NOTHING BUT RESENTMENT AND DETERMINATION, THE EPITHET HAD STUCK.

HIDING AWAY IN HIS IGLOO SCIENCE LAB, 'THE MAD SCIENTIST' CAN BE FOUND PERFECTING HIS RECIPE FOR NEVER-ENDING CHRISTMAS PUDDING, TWEAKING THE FORMULA FOR GIANT CHRISTMAS CANDY CANES AND FINALISING THE DNA STRUCTURE OF LIGHTENING FAST, TURBO-CHARGED REINDEER. THIS, AND SO MUCH MORE.

AT KINGS PLACE WE ARE DELIGHTED THAT MR. CLAUS – 'THE MAD SCIENTIST' – HAS CHOSEN OUR VENUE TO UNVEIL HIS LIFE'S WORK. IN DECEMBER 2015, THE GREATEST CHRISTMAS EXPERIMENT OF ALL COMES TO KINGS CROSS.

LADIES AND GENTLEMEN, WELCOME TO LABLAND.
